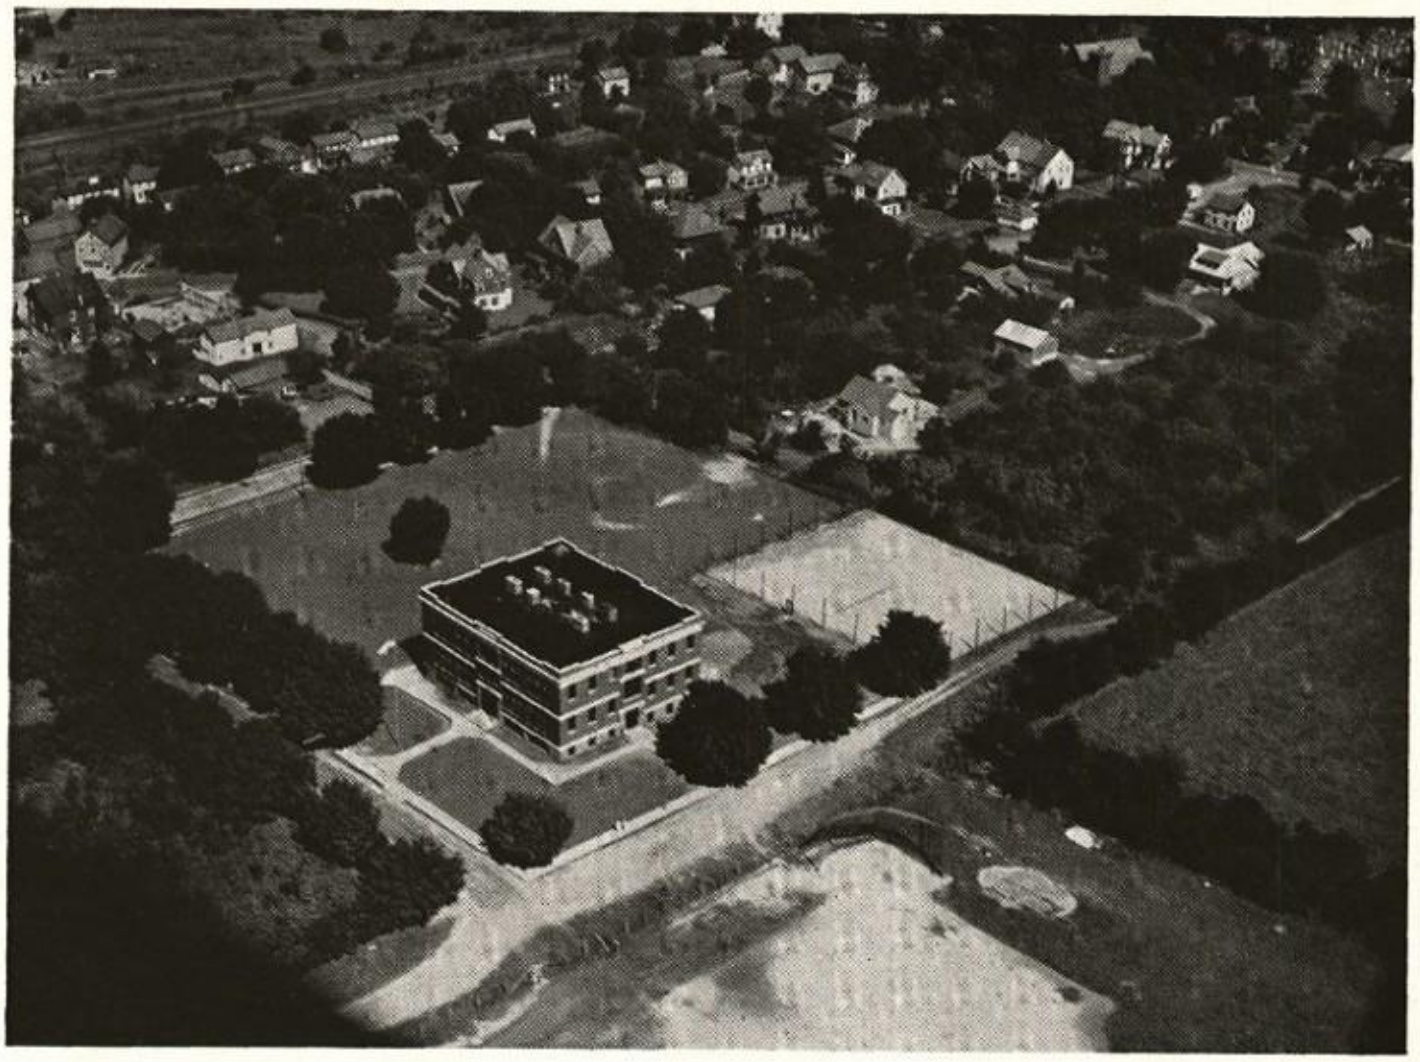
the breeze

although it is quite impossible to portray our four years of high school within this book, we have tried to show to others the spirit of hampton high and class of 1948.



Alma Mater

Guarding like sentry old Musconetcong,
Year after year, seen far and near;
Joy of our childhood and pride of our youth,
Our Alma Mater stands.

Who would not bring to her honor and fame,
Mother of ours, dear to us all?
Sing then your praises and let's hear the name
Of one who is so dear.

Will you not give her the best that's in you,
Ere you are called from her loved halls;
And throughout life to her teachings be true,
No matter where you go.

Chorus

Oh, Hampton High, dear Hampton High!
It gives us pleasure to praise in full measure
Thy fostering care, thy pleasure so rare,
Oh, Hampton High School, we'll ever cheer for you.

MISS CLARA SLIKER

Jennie. Keep up the good work— I'm sure you'll succeed. Best Wishes, Clara Slike

DEDICATION

Hampton High School has been fortunate in having Clara K. Sliker as a member of its faculty during these past years. Miss Sliker has greatly influenced those of us who have worked with her, not only through her thoroughness and patience, but through her personal qualities as well.

It was she who guided us through our high school years, helping to make this book and our many other enterprises successful. We shall always admire and thank her for the friendship and loyalty which she gave us.

The staff of the 1948 "Breeze" proudly dedicates its book to Clara Kline Sliker.

ORGANIZATIONS

Glee Club

Students who joined the Glee Club this year learned the rudiments of music from the director, Miss Bischoff. Each voice was given special consideration and placed in its respective group. The club sang a variety of religious and secular music by modern and classic composers both in unison and in parts.

The group performed at graduation and gave a program of choral music for Easter.

Richard Crater accompanied the singers. Meetings were held every Wednesday.

Library Club

This year the Library Club reorganized under the supervision of Miss Caskey.

The members were chosen on a scholastic basis. They were responsible for the checking in and checking out of books. Members kept the library straightened by dusting the shelves and keeping periodicals and magazines in order. New books were purchased with money paid by students for fines on books that were overdue. Two cents a day is charged for each day the book is overdue, thus eliminating negligence to a great extent.

These members are:

Marybelle Apgar
Georgia Armstrong
Joyce Beatty
Doris Bibinger
Lois Bowlby
Eleanore Pracopcyk
Richard Crater
Christian Frederick
Elizabeth Fritts
Jeanne Hixon

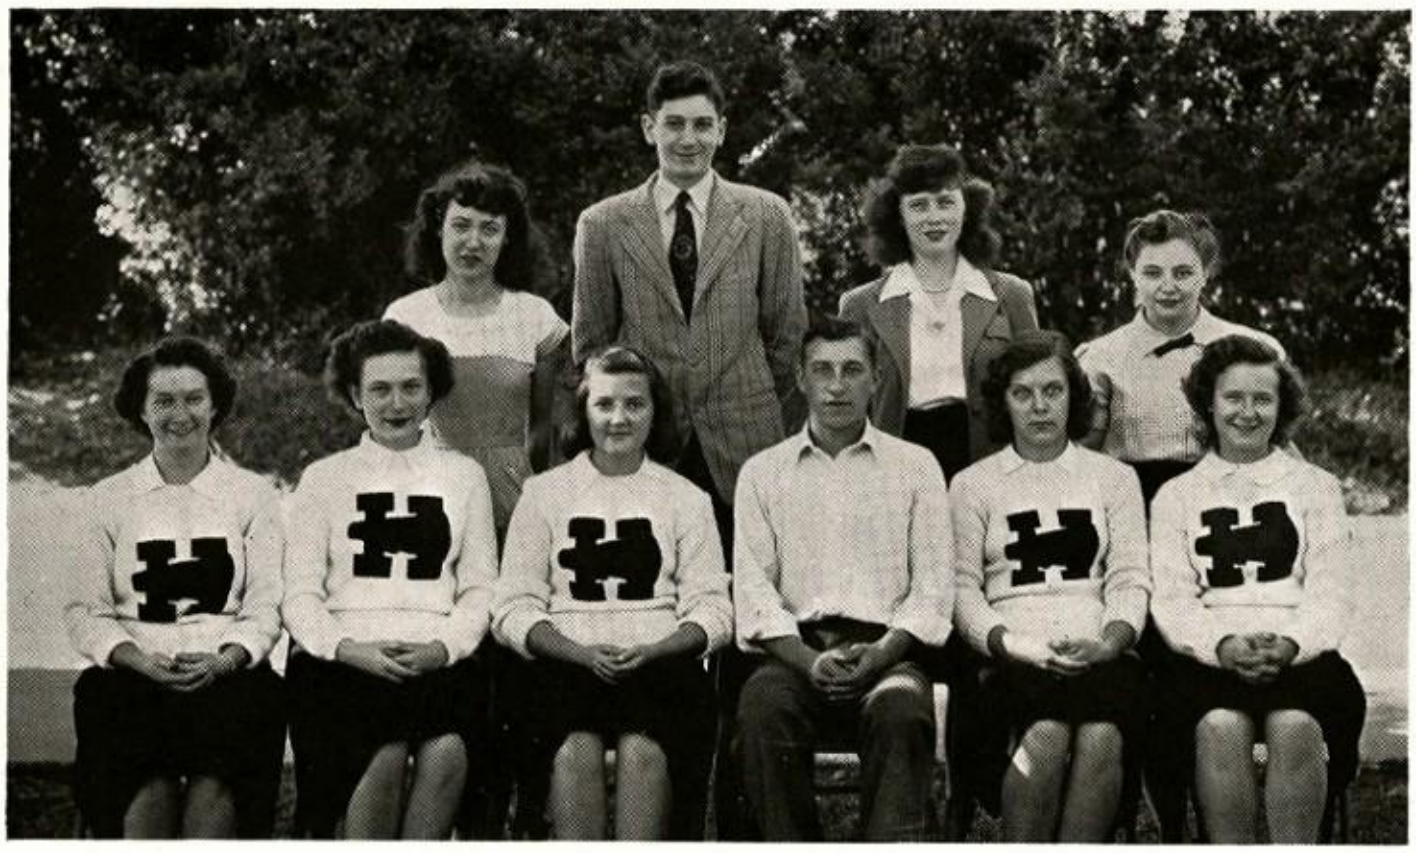
The Melange, Hampton High's student newspaper, was organized at the beginning of the second term last year and is now publishing its third volume. The newspaper-magazine prints a variety of news, sports articles, fashion columns, record, book, and movie reviews, and "gossip." Students are encouraged to write short stories, travelogues and other material for the magazine, and popular opinions on current matters are printed, and polls conducted. Last term *The Melange* sponsored an essay contest with a prize of five dollars for the best essay on a given topic.

The Melange is a non-profit organization; all fees collected at the end of the year from advertisements and sales of the magazine are given to some one of the clubs in the school with which to buy any needed equipment, books, or music.

The magazine is published on the first Wednesday of each month. Merits are given if a prominent position of the staff is held.



Honorary Society

The Honorary Society is an organization composed of students who have earned at least 400 merits and have received a chenille school letter. Each student who has earned 600 merits received a gold pin.

Demerits are given for misbehavior and are deducted from the merits.

The members of this year's Honorary Society are:

Eleanor Ames
Joyce Beatty
Doris Bibinger
Joe Foldvary
Barbara Fowler
Betty Fritts
Florence Lawton
Arthur McElory
Marie Polt
Marion Nemeth
Carolyn Witte
Lois Bowlby

Athletic Association

In September, 1947, an assembly was called to elect the officers of the Athletic Association. The student body chose:

President ..... EUGENE CONNOLLY
Vice-President ..... HARRY MARTIN
Secretary-Treasurer ..... ELEANOR AMES

The cooperation we received from the students this year was very little and we hope next year that the students will participate more so the Athletic Association will be supported by 100 per cent.

Parent-Teachers' Association

The Parent-Teachers' Association, whose aim is to promote a better understanding between teachers and parents, completed another successful year under the leadership of its president, Mr. Fred Lawton. Membership was 207—the largest number of people ever enrolled in this organization.

The meetings which were held the third Tuesday of every month in the school auditorium were very interesting. Various groups provided entertainment on different occasions: the kindergarten and the first and second grades presented a Christmas program directed by Mrs. Bogart and Miss Williams, while a musical under the direction of Mrs. Willard Weisel, was presented at another meeting.

Once again the organization obtained state financial aid and sponsored its milk program for the elementary students for the winter months. Many children took advantage of the opportunity to purchase milk for ten cents a week. The P. T. A. also donated money to such worthy causes as the Sister Kenny Foundation, and the March of Dimes and the Red Cross.

This organization and the Hampton Athletic Association worked together and presented a very successful minstrel under the direction of Mr. Fred Lawton on February 26 and 27, 1948.

P. T. A. officers for the year were:

President, Mr. Fred Lawton
Vice-President, Mrs. Henry Winter
Secretary, Miss Elizabeth Williams
Treasurer, Mrs. Nahum Apgar

Safety Patrol

The Safety Patrol was organized in our school several years ago under the supervision of the New Jersey State Police and has been very active since then.

The students conduct the grammar school pupils across the streets at different times of the day and try to impress upon them the necessity of caution to their personal safety. The members of the club alternate on the weekly shifts at 11:30, 11:45, and 2:46.

Merits are given for active membership in the organization.

School News

MOVIES

This year Hampton High students have been enjoying an extensive program of educational and entertaining movies. A new stationary screen, a new sound system and a new projecting machine have all been added to the equipment.

A great variety of films was sent to the school by the state, the county and large manufacturing and shipping firms. They were shown very frequently, often as many times as twice a week.

SADIE HAWKINS' DAY DANCE

Last year a new and different dance was added to the calendar of school activities. To celebrate November 14, Sadie Hawkins' Day, the Senior Class sponsored a dance with the usual procedure reversed: girls dated boys, asked them to dance, made corsages of vegetables, and paid all expenses.

A regular "Dogpatch" affair, the students came dressed in dungarees and plaid shirts. They danced to the music of the "Ridge Runners."

The auditorium was decorated with green and yellow crepe paper and humorous placards.

SENIOR SNO-BALL

This year the Senior Class made their Christmas Dance, a semi-formal affair. The auditorium was decorated in red and green, and pine boughs with tinsel. A large Christmas tree stood in the back of the room. Christmas lights and evergreen branches decorated the doors and main entrance and snowballs of cotton hung from a wire in front of the orchestra.

Bids were made from heavy red construction paper and ribbon in the form of Christmas tree balls and hung from a miniature evergreen tree in the hall.

Punch and cookies were served and everyone had a midnight snack at the "Rancho" in Belvidere after the dance.

Ken Brader Jr.'s orchestra played.

SENIOR CARD PARTY

The Senior Card Party was held February 6, 1948, in the auditorium. Refreshments were sold and prizes awarded.

We wish to thank all of those who cooperated with us in giving this party.

JUNIOR CARD PARTY

The Junior Card Party was held April 9, 1948, in the Hampton High School auditorium. There were many people in attendance, each hoping to win at least one of the prizes displayed on a table in the back of the room.

Pinochle, bridge and 500 rummy were the activities of the evening and bingo was played in the lunchroom.

Refreshments were served during intermission by the Junior girls.

Betty Ann White

JUNIOR PROM

Not many Hampton students have ever had an opportunity to visit a Chinese tearoom. But this drama came true on May 14, 1948—the day of the Junior Prom.

The couples that came to the prom that evening found the auditorium transformed from drab school rooms to a quaint Chinese tearoom.

Ken Brader Jr.'s Orchestra provided the music, and during intermission, punch and cookies were served by two Freshman girls dressed in Chinese costumes. At twelve o'clock the happy couples left in a gay mood, having spent their first evening in Chinatown.

HALLOWEEN DANCE

The annual Hallowe'en Dance, given by the Sophomores to welcome the "Green" Freshmen, was given October 30, 1947, in the high school auditorium.

During the day, the Freshmen wandered bashfully about the halls wearing suits of long underwear—rouge and lipstick—and bones and rope in their upswept hair. At night the group was initiated, and after their ordeal was over, everyone danced.

The auditorium was decorated with black and orange crepe paper, pumpkins, and corn shocks. Cider and doughnuts were served during intermission.

Ernie Adams' Orchestra played.

"SENIOR CLASS"
HAMPTON HIGH SCHOOL
HAMPTON, VIRGINIA
WASHINGTON, D.C. - 31 MARCH 1942

CLASS HISTORY

When we first entered high school, way back in 1945, we suffered the pangs of being freshmen. At our first class meeting, Miss Marks introduced herself as our class dean and the officers were elected as follows: President, Fred Plushanski; Vice-President, Joyce Beatty; Secretary, Albert Fleming; Treasurer, Betty Fritts; we went through the usual anxieties of initiation but we all survived the ordeal. As green freshmen we sponsored the St. Patrick's Day Dance. Before we knew it one year was gone—exams over—and everyone happy.

As we started our second year at H.H.S. we felt more confident. It was now our turn to get revenge on the poor innocent freshmen by initiating them. The dance was a big success so we tried our hand by giving a Valentine's Day Dance. Miss Sliker became our new dean and the class officers were: Persident, Lois Bowlby; Vice-President, Doris Bibinger; Secretary, Richard Crater; Treasurer, Russell Lewis. We scored many accomplishments—now it was time for the big event—exams. We all came through with flying colors and we got our much-earned vacation which we all enjoyed.

We returned as sophisticated upper classmen with Tom White leading our class as President; Jennie Lechenski, Vice-President; Doris Bibinger, Treasurer; Lois Bowlby, Secretary. Miss Sliker, much to our pleasure, was still our dean. This year we made successes on our Junior Card Party and Sadie Hawkin's Dance. Then in May we had the most stupendous prom in the History of H.H.S. Again it was time for our vacation.

Now we were the superior Seniors—one year left and we would be out on our own. Due to the fact that our Sadie Hawkin's Day went over so big last year we decided to give another one. All the boys dressed in dungarees and the girls in slacks—we all had loads of fun. Miss Sliker was still our dean and class officers for our last year were: President, Dick Crater; Vice-President, Lois Bowlby; Secretary, Betty Fritts; Treasurer, Doris Bibinger. This year we gave a Christmas formal with Ken Brader's Orchestra providing the music. When we returned from our Christmas vacation we commenced making plans for our Senior Card Party. Prizes were donated by class members and various stores. In June we ended our four years at H.H.S. by giving a successful class day celebration.

We would now like to take this opportunity to thank Miss Sliker for the help and guidance she has given us during our years at H.H.S.

Class Prophecy

1958

Dear Betty,

Recently, my employer sent me on an extensive tour through the United States to gather material for our new project, and since it has been so long since we've heard from our classmates, I made a special effort to drop in on some of them and renew old memories. I know that since you are so busy managing the Elite Beauty Salon you haven't had much time to see our old friends so I'm sending you all the news. We've come a long way since our carefree days at H.H.S. when all of the teachers despaired of our ever accomplishing anything.

I left New York by plane and met Barbara first. She is a buyer for the Madison Square Garden Rodeo and was on her way to Chicago.

While waiting for connections at the airport I picked up a book and found it to be a best seller by none other than Esther Katz. Esther has made a hit in the literary world.

Then I took a train out to St. Louis and from there dropped in to see Joyce. She has been Mrs. O'mahundro for quite a few years now and is an able assistant to Tommy in his work.

From here I flew to the West Coast where I had dinner with the well-known journalist Richard Crater. He has an assignment on the Coast now and took me to the station where we just had time for a chat with Fred between trains. He was heading back home and looked very handsome in his Marine uniform.

As I was walking down Hollywood and Vine, a towering building caught my eye and the sign on the front held Joe Foldvary's name in large letters. It seems that he has ceased being a traveling salesman and is now selling a streamlined line of beauty products.

Winging my way East once more, I landed in Iowa and went to see Charlie Janosa, who had a 2,000 acre farm equipped with the latest word in modern machinery. We had a grand time exploring and talking over old times.

Charlie directed me to New York and here I found the U. N. International Buildings which are very ultra-modern and nearly completed. Here I saw two of the country's best masons working side by side, Art McElroy and Charlie Hauck. While I was examining the buildings one of the best electricians to be had walked in and it was our old friend Albert.

One of the years sensational murder trials was being tried at this time so I visited the courtroom and found Eugene a competent lawyer fighting for his case.

While in New York I decided to do some shopping and so of course I went to one of the exclusive shops where the dresses are designed by Doris Bibinger who is just the same as ever.

Jeanne is an "Angel in White" in the Bellevue Hospital and said that she enjoys her work immensely. She also has her eye on a very handsome Dr. that works there.

In my mail that had been forwarded, I found a week-end invitation to Connecticut. It was from Eleanor and I found her very happily married to Bill and as I opened the door two little girls threw themselves on me followed by Eleanor. We had a wonderful gab fest.

When I again reached New York I went to see Jennie who is the head botanist where she works. Jennie's dimples still have the charming effect that they used to.

She told me where I might see Marie. Marie's dream has come true, too, and she is a Powers Model.

Florence has also taken the matrimonial plunge and runs an ice cream parlor which was her ambition in high school.

The class kibitzers, Tom, Bones, and Linky are traveling all over the globe seeking adventure and seem to be very successful at it by the newspaper reports.

That accounts for everybody and I think that everybody deserves an orchid for their success. I'll be seeing you soon.

Love,
LOIS

Last Will and Testament

We, the Class of Nineteen Hundred and Forty-eight, being of sound mind and body, and in a generous mood, do hereby make this last will and testament, bequeathing the following to our successors:

Eleanor Ames wills her loving ability to Mary Capizzi; maybe it will help her.

Joyce Beatty leaves her cheerleading ability to Marion Nemeth; maybe she'll become captain.

Doris Bibinger bequeaths her pleasing disposition to Marybelle Apgar; we hope she will put it to good use.

To Eleanor Prakopcyk, Lois Bowlby leaves her letter writing. Look what it did for Lois.

Eugene Connolly wills his sports ability to Russell Vliet. Take care of it, Russell.

Richard Crater gives his musical ability to Walter Witte; maybe he'll get in the groove.

To Chris Fredericks, John Cregar wills his height. Now Chris can look down on the girl he's dancing with.

Albert Fleming gives his modest blush to Morris Adams. You can use it, Morris.

To "Ham" Martin, Joseph Foldvary leaves his quietness. It's a great advantage, Ham.

Barbara Fowler leaves her way with horses to Carol Beatty. Tallyho, Carol.

Betty Fritts bequeathes her refined nature to Ruth Struble. It'll take you a long way, Ruth.

Charles Hauck gives his last pack of cigarettes to Tootie Hight; now she can be an expert.

Jeanne Hixon leaves her way with men to Leora Allen. Good hunting, Leora!

The laziness of Charles Janosa goes to Eldon Allen. Don't overdo it.

Esther Katz leaves her writing ability to Jean Alexander. Now Jean's beau can read the letter, too.

To Bill Hight, Florence Lawton leaves her typing ability. No more two finger stuff, Bill.

Jennie Lechenski gives her wallet to Gloria Walton. Gloria has to supply the greenbacks.

Arthur McElory leaves his ability to argue to Carolyn Witte. We hope you don't get into trouble.

Fred Plushanski just left. Good luck, Fred.

Marie Polt bequeaths her slimness to Shirley Maxwell. No more reducing, kid.

Tom White leaves his Trig ability to Robert Housedorf. Oh! you lucky thing, Bobby.

Lincoln Winans gives his demerits to Ruth Weisel.

As A Class We Will the Following:

To the Freshmen: The pleasure of initiating the "Frosh" of next year.

To the Sophomores: Our total collection of demerits which we have accumulated.

To the Juniors: To plague the latter two classes named.

To the Faculty: A nervous break-down.

Signed:

ELEANOR AMES

A general was addressing his troops.

"The enemy is approaching," he shouted, "and I want you to stand firm and fight to the last. To help, each man shall be given a good stiff drink."

"Shall I get you a drink, sir?" whispered an officer.

"Good gracious, no," whispered back the general. "The darn stuff might go to my legs and reduce my speed!"
